How to access e-grading:

- Go to www.utah.edu
- Click on the “Campus Information Services” icon towards the bottom of the webpage.

- Enter your uNID and Password.
- Click on “Sign In.”
 - If you do not know your uNID and Password, use the “Forgot your uNID?” and “Forgot your Password?” functions.
 - If you are unable to reset your password online contact the Help Desk at 581-4000.

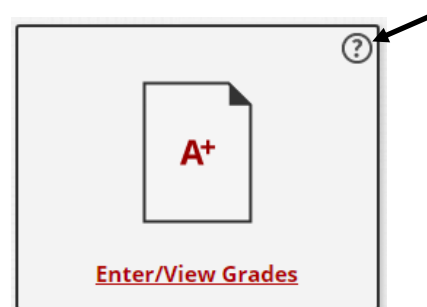

Login

- Select the “Faculty/Instructor Services” homepage.
- There are 5 grading tiles, review the grading tile options next.

Grading tile options:

- Enter/View Grades Tile
 - The “Enter/View Grades” tile will give you two options when selecting the class to grade or view.
 - There is a link that allows you to go directly to all classes available to you for grading/viewing.
 - Or select the “Semester” - enter the “Class Number” OR “Subject,” “Catalog Number,” and “Section Number” of the class to grade/view.
 - Click on the “Continue” button and the Grade Roster will be displayed.
 - If viewing a roster that has been posted, it will display the grades posted for each student, who posted the grade roster, and when the roster was posted if the class **HAS** been posted.
 - If the class **HAS NOT** been posted and you are the primary instructor it will bring up the enter grades page to grade the class.
 - Grading Instructions available by clicking on the question mark in the top right corner of the Enter/View Grades Tile: will display a copy of this training manual for reference, printing, and distribution.

SAVE DELETE

Grade Roster Command Buttons/Links:

Removes all grades from the grade roster.

Removes grades just entered. Will not affect grades that have been saved.

Saves the entered grades in the grade roster without posting to the student's record. The save button will be presented at the top of the page, the bottom of the page, and every 50 students to accommodate a large class.

Posts the entered grades to the students' record/transcript. After selecting the "Post" button, the grades are official and final.

[Grade/View Another Class](#)

Available at the bottom of the grade roster. Will open up a selection box, the individual grading may select another class to grade.

Grade Roster Security:

- Security is granted to the **primary instructor** of each class. In the event that the primary instructor is not available, or needs assistance entering grades, the primary instructor can delegate access to other department officials.
- Security can be delegated to other employees at two different points in the grading process.
 - "Grant Security to Employees" tile on the Faculty/Instructor Services homepage.
 - The link to delegate is also available in the header of each grade roster page.

Adding new security:

- **Term:** will always display the term being graded.
- **Class:** will always display the class information that was entered in the page prior.
- **Security You Have Granted:** lists the person or persons who have been granted security access and the level of security.

Enter the "Emplid" into the box. The ID is entered with all the leading 0's.

- Only current university employees will be granted security access.

Choose the type of access:

- **View Only:** allows the employee to only view the grade roster.
- **Save:** allows the employee to view the grade roster, enter grades into the roster, and save the grades.
- **Post:** allows the employee to view the grade roster, enter grades into the roster, save grades, and post grades to the students' record/transcript.

Select the "Add" button.

Deleting Security:

- Click on the icon next to the employee's name to delete the security access.

Grade Roster Display After Posting:

Primary Instructors can view grade rosters indefinitely after posting by clicking on the “View/Enter Grades” tile on the Faculty/Instructor Services homepage. The display allows instructors/department officials the ability to view grades reported and any changes made by the Registrar’s Office after the grading deadline.

- A unique display has been created to view the grades that have been posted to the roster and changes made by the Registrar’s Office after the original submission.
- The “Roster Grade” is the grade reported and posted through the grade roster.
- The “Official Grade” is the same as the roster grade, unless a change was made by the Registrar’s Office. (See line 3 in the above screen shot.)
- The “Date of Official Grade” is the date the grade roster was posted, unless a change was made the “Date of Official Grade” would reflect the date of the change.
- The “Registration Date” is the date the student enrolled in the class.
- This information is available starting with the grade submissions for fall 2004.
- The grade roster is dynamic and will always reflect any changes made, no matter how long it has been since the original roster was posted.
- The grade roster can be printed.

Grade Check Off List/Status:

- The Grade Check Off List/Status is a list of all classes taught within a term. The list indicates whether an instructor has started grading, not started grading, or posted grades. The link is located in the Grading pagelet.

How to run:

- Select the term.
- Change the "Search by" criteria to either Instructor, Department/Subject, College or All classes for the term.
- Choose the type(s) of grade rosters under the "Show this type of grade rosters."
- Posted: will display only the grade rosters that have already been posted.
- Saved but not posted: will display only the grade rosters that have been saved, but have not yet been posted.
- Not Started: will display all of the grade rosters that have not begun grading.
- Click the "Continue" button.
- If you ran the report by Instructor, enter either the "Instructor ID" number or the "Last Name" and "First Name."
- If you ran the report by Department/Subject, choose the department.
- If you ran the report by College, choose the college.
- If you ran the report by All classes for the term, it may take longer because it is gathering information from every class taught for the term requested.
