Graduation Instructions

The online application for graduation is available only for undergraduate seniors who plan to complete their degree within the next year and who apply by the applicable deadline. All students should contact their academic advisor prior to registration for the final term to ensure plans are in place to complete all requirements.

If you are completing more than one degree, you must submit an application for each degree. Ensure your degree program is listed correctly prior to applying to graduate. Honors College students should confirm they are declared in an honors degree (e.g. HBA, HBS, etc.) program.

Deadlines to Apply:

Fall (December) candidates - July 1

Spring (May) candidates - November 1

Summer (August) candidates - April 1 Note: Applications received by March 1 will have names included in the Spring convocation program.

It is your responsibility to ensure that all coursework is completed prior to the end of the term you plan to graduate including all incompletes, distance education, transfer work, and/or examinations. Generate and review your degree audit (DARS) regularly to ensure that all requirements are met and/or you have plans to complete them.
