

Term Name	Definition
	A division of an academic year during which the university holds classes.
Academic Term	<p>Sample Values: Fall 2013, Spring 2015, Summer 2022</p> <p>The code used to define an academic term and year.</p> <p>First digit denotes the century (0 = 20th/1900 or 1 = 21st/2000). Middle two digits denotes the year. Last digit denotes the term (2 = winter, 4 = spring, 6 = summer, 8 = fall).</p>
Academic Term Code	<p>Sample Values: 0988 = fall 1998, 1134 = spring 2013</p> <p>The season in which courses were offered.</p>
Academic Term Season	<p>Valid Values: Fall, Spring, Summer</p>
Academic Year	<p>The academic year shall be divided into a Fall and Spring semester of approximately fifteen weeks each and a Summer term of approximately twelve weeks. A semester may be subdivided into two sessions of approximately eight weeks each and the Summer term may be subdivided into two sessions of approximately six weeks each.</p>
Academic Year Summer Start	<p>A summer start academic year is divided into three consecutive semesters: summer, fall, and spring.</p> <p>A division of an academic year during which the university holds courses.</p>
Class Academic Term	<p>Sample Values: Fall 2013, Spring 2015, Summer 2022</p> <p>The code used to define an academic term for which a course was offered.</p> <p>First digit denotes the century (0 = 20th/1900 or 1 = 21st/2000). Middle two digits denotes the year. Last digit denotes the term (2 = winter, 4 = spring, 6 = summer, 8 = fall).</p>
Class Academic Term Code	<p>Sample Values: 0988 = fall 1998, 1134 = spring 2013</p> <p>The academic term season in which courses were offered.</p>
Class Academic Term Season	<p>Valid Values: Fall, Spring, Summer</p>

Class Academic Year	An academic year for which a course was offered.
Class Academic Year Summer Start	An academic year summer start for which a course was offered.
	Indicates a course is a part of the Block U Program.
Class Block U Indicator	Valid Values: Block U, Not Block U
Class Capacity	The number of seats available within a course.
Class Credit Hours Earned	The credit hours earned for a course.
	The days of the week a course is taught.
Class Days Taught	Sample Values: Mon, Mon and Tue, Thu
	The frequency a course is taught each week.
Class Frequency per Week	Sample Values: 1, 2, 3
	A letter grade assigned to a student based on performance within a course.
Class Grade	http://catalog.utah.edu/content.php?catoid=5&navoid=351&hl=%22grading%22&returnto=search#Grading_Policies
	The grade points assigned to the letter grade of a course.
Class Grade Points	http://catalog.utah.edu/content.php?catoid=5&navoid=351&hl=%22grading%22&returnto=search#Grading_Policies
	The mode of instruction of a course.
Class Instructional Method	Sample Values: Lecture, Laboratory, Lab/Discussion
	The code used to define a building on or off campus.
Class Location Building	Sample Values: LNCO, JTB, CTIHB, Not Applic
	A class session defines the start and end dates of a course within an academic term.
Class Session	Sample Values: Regular Academic Session, 1st half, 2nd half, Miscellaneous
	The code defines the class session.
Class Session Code	Valid Values: 1, 2, 3, 4, 5

	The part of a day a course is taught.
Class Time Range Taught	Valid Values: Morning, Afternoon, Evening The academic term and course section.
Concatenated Academic Term Class	Sample Value: Spring 2015 MATH 1010-001 A course is the course subject code and course catalog number.
Course	Sample Values: MATH 1010, HIST 1700, ESS 2500 A number used to define the course level and course grading basis of a course. http://curriculum.utah.edu/glossary/desired-number.php
Course Catalog Number	Sample Values: 1010, 7970, 2500 The credit hours offered for a course.
Course Credit Hours	Sample Values: 0, 1, 2, Variable A department is an administrative unit at the university that may offer courses.
Course Department	Sample Values: Accounting, Mathematics, Atmospheric Sciences The code used to define the course department.
Course Department Code	Sample Values: ACCTG, MATH, ATMOS A series of letter grades approved for a course set by the university.
Course Grading Basis	Sample Values: Graded, In-progress, Pass/Fail The course level is determined by the course numbering system which differentiates the courses that are appropriate for a student academic level. http://curriculum.utah.edu/guides/desired-number.php
Course Level	Sample Values: 2000 - 2999, 3000 - 3999, 5000-5999

	A unit of academic instruction in a particular subject area or field of study.
Course Subject	Sample Values: Accounting, Philosophy, History The code used to define the course subject.
Course Subject Code	Sample Values: ACCTG, PHIL, HIST A college is an academic division within the university. Each college houses a number of departments, which in turn offer courses.
Course Subject College	Sample Values: Engineering, Humanities, Social Work The code defines the course subject college.
Course Subject College Code	Sample Values: SC, SB, FA, MD The formal name of a college within the university.
Course Subject College Formal Name	Sample Values: S.J. Quinney College of Law, College of Health, School of Medicine
Course Title	A title of a course.
	The minimum and maximum range of credit hours for which a course can be offered.
Course Variable Credit Range	Sample Values: Not Variable, 1-2, 1-4
Cumulative Total Credit Hours	The total number of University of Utah, transfer, test, or other credit hours earned.
Cumulative Transfer Credit Hours	Total transfer credit hours accepted and applied to the student's record.
Cumulative Transfer GPA	The GPA - Grade Point Average from all transfer institutions.
Cumulative UofU Credit Hours	The total number of credit hours earned at the university.
Cumulative UofU GPA	The cumulative GPA - Grade Point Average earned at the university.
Cumulative UofU Number of Enrolled Terms	The total number of academic terms a student has enrolled.
	A person's given name.
Instructor First Name	Sample Value: John

	A person's full name.
Instructor Full Name	Sample Value: John Quincy Adams
	A person's surname.
Instructor Last Name	Sample Value: Adams
	The code used to define the leave reason description.
Leave Reason Code	Valid Values: A(Academic), H(Humanitarian), R(Religious), O(Other Extenuating Circumstance), M(Military), L(Medical)
	The reason a student is taking a leave from the university.
Leave Reason Description	Sample Values: Academic, Humanitarian Service, Medical
	The code used to define the leave registrar decision description.
Leave Registrar Decision Code	Valid Values: A - Approved, C - Cancelled, D - Denied, P - Pending
	The Registrar's Office decision on a leave request submitted by a student.
Leave Registrar Decision Description	Valid Values: Approved, Denied, Cancelled, Pending
	The date a student submitted a leave type request.
Leave Request Date (MM-DD-YYYY)	Leave type = leave type description
Leave Return Academic Year	The academic year in which the leave return term falls.
Leave Return Academic Year Summer Start	The academic year summer start in which the leave return term falls.
	The academic term a student returns and is eligible to enroll.
Leave Return Term	Sample Values: Fall 2013, Spring 2016
	The academic term code of a student's leave return term.
Leave Return Term Code	Sample Values: 0994, 1138
	The season in which the leave return term falls.
Leave Return Term Season	Valid Values: Fall, Spring, Summer
Leave Start Academic Year	The academic year in which the leave start term falls.

	The academic term a student's leave request begins.
Leave Start Term	Sample Values: Fall 2013, Spring 2016
	The academic term code of a student's leave start term.
Leave Start Term Code	Sample Values: 0994, 1138
	The code used to define the leave type description.
Leave Type Code	Valid Values: I - Initial, C - Cancelled, E - Early, X - Extension, R - Re-evaluate
	The type of leave request a student submitted.
Leave Type Description	Valid Values: Initial Request, Early Return, Extension, Cancellation, Re-evaluate Request
	A major is a course of study required for an academic degree in a particular subject.
Major	Sample Values: Accounting BS, Pre Exercise and Sport Sci BS
Major CIP Code	The code defines the unique classification for a specific major, used for state/federal reporting.
	The code used to define major. (Denotes the major, major degree and/or major type)
	Up to the first four letters - major (ACCT or ART.) Up to the next three letters - degree type (BS or MPL) Up to the next three letters - major type (P = pre-major or I = Intermediate)
Major Code	Sample Values: ACCTBS - Accounting BS, ESS.BS.P - Pre-major in Exercise and Sports Science
	A college is an academic division within the university. Each college houses a number of departments, which in turn offer majors.
Major College	Sample Values: Business, University College, Health

	The code defines the major college.
Major College Code	Sample Values: SC, SB, FA, MD
	The formal name of a college within the university.
Major College Formal Name	Sample Values: S.J. Quinney College of Law, College of Health, School of Medicine
	The major degree is an award conferred by the university as an official recognition for successful completion of a program of study.
Major Degree	Sample Values: Bachelor of Arts, Master of Business Administration, Honors Bachelor of Science, Doctor of Dental Surgery
	The code defines the major degree.
Major Degree Code	Sample Values: BS, MBA, HBA, PHD
	A department is an administrative unit at the university that may offer classes and degree programs in a subject or discipline.
Major Department	Sample Values: Mathematics, Communication, Ballet
	The code used to define major department.
Major Department Code	Sample Values: ACCTG, POLS, MATH
	A major emphasis is a program of study within an established major.
Major Emphasis	Sample Values: Ceramics, Health
	The code used to define the major emphasis.
Major Emphasis Code	Sample Values: CERAMICS, HEALTH
	The level of a major.
Major Level	Sample Values: Pre-major, Bachelors Degree, Doctorate Degree
	Indicates the type of major.
Major Type	Sample Values: Pre-Major, Intermediate Major, Major, Non-Major

Matriculation	A student who has been formally admitted to the University, has confirmed his/her intent to enroll, and is eligible to register as a degree-seeking student.
Minor	A minor is a group of courses, fewer than the number required for a major, for students to take who wish to develop expertise or pursue an interest in some subject in addition to their major.
Minor CIP Code	The code defines the unique classification for a specific minor, used for state/federal reporting.
	The code used to define minor.
	Up to the first four letters - minor (CER. or AERO) The next three letters - minor type (MIN)
Minor Code	Sample Values: CER.MIN - Ceramics Minor Ceramics, AEROMIN - Minor Aerospace Studies, SPANMIN - Minor Spanish
Minor Department	A department is an administrative unit at the university that may offer classes and degree programs in a subject or discipline. Sample Values: Asian Studies, History, Spanish
Minor Department Code	The code used to define minor department. Sample Values: ASIA, HIST, SPAN
Registration Status	Identifies a student's status in a course. Sample Values: Enrolled, Withdrawn
Registration Status Code	The code used to define the registration status. Sample Values: ENRL, WDRW
Repeat	Indicates the exclusion of credit hours/class grade points from the GPA - Grade Point Average based on policy. http://registrar.utah.edu/handbook/repeat.php

	Indicates whether a course has been repeated.
Repeat Course Indicator	Valid Values: Repeated, Not Repeated
	The level identifies the year in school based on undergraduate cum total credit hours earned, graduate major, or professional program.
Student Academic Level	Sample Values: Freshman, Sophomore, Masters, Doctorate, or Law First Year
	A student's academic load (term credit hours).
Student Academic Load	Sample Values: Enrolled Full-Time, Enrolled Half-Time, No Unit Load
	The student's academic standing is defined by the cum UofU GPA.
Student Academic Standing	Sample Values: Probation, Dean's List, Good Standing
Student Admit City	Self-reported City of a student's permanent address at the time of admission.
Student Admit City, State	Self-reported City and State of a student's permanent address at the time of admission.
Student Admit Country	Self-reported Country of a student's permanent address at the time of admission.
	Indicates whether or not a student admitted as an international applicant.
Student Admit International Indicator	Valid Values: International, Domestic
Student Admit Postal Code	Self-reported Postal Code of a student's permanent address at the time of admission.
	US Region where the student admit US state code is assigned.
Student Admit US Region	Sample Values: Great Lakes, Plains, Rocky Mountains, Southeast
	Self-reported State of a student's permanent address at the time of admission.
Student Admit US State Code	Sample Value: UT
	Utah County where the student admit postal code is assigned.
Student Admit Utah County	Sample Values: Salt Lake County, Box Elder County, Davis County

	Indicates whether or not a student is Asian.
	Valid Values: Asian, Not Asian
Student Asian Indicator	
	Indicates whether or not a student is Black or African American.
Student Black or African Amer Indicator	Valid Values: Black/African American, Not Black or African American
	Indicates a student is participating in the Block U Program.
Student Block U Indicator	Valid Values: Block U Stud, Not Block U Student, Not Block U
	A level of study and division of statistical data for a student.
Student Career	Valid Values: Medicine Semester, Dentistry Semester, Law Semester, Graduate Semester, Undergraduate Semester, and Non-credit Semester.
	Indicates whether or not a student was admitted conditionally.
Student Conditional Admit Indicator	Valid Values: Conditional Admit, Not Conditional Admit
	The current level identifies the year in school based on undergraduate cum total credit hours earned or graduate major.
Student Current Academic Level	Sample Values: Freshman, Sophomore, Masters, or Doctorate
	A student's current academic load (term credit hours).
Student Current Academic Load	Sample Values: Enrolled Full-Time, Enrolled Half-Time, No Unit Load
	The student's current academic standing is defined by the cum UofU GPA.
	Sample Values: Probation, Dean's List, Good Standing
Student Current Academic Standing	
Student Current Age	The numerical age based on the student date of birth.
	Indicates a student is currently seeking a degree.
Student Current Degree Seeking Indicator	Valid Values: Degree Seeking Student, Not Degree Seeking Student

	Indicates a student is currently participating in the Honors Early Assurance Program.
Student Current Honors Early Assurance Indicator	Valid Values: Honors Early Assurance Student, Not Honors Early Assurance Student Indicates a student is a current Honors College participant.
Student Current Honors Indicator	Valid Values: Honors Student, Not Honors Student Indicates whether or not a student is currently an international student.
Student Current International Indicator	Valid Values: Current International, Current Domestic
Student Current Primary Major	A student's current primary major. If a student has multiple majors, the primary is the earliest declared major. Current student career status.
Student Current Status	Sample Values: Enrolled, Leave of Absence, Discontinued
Student Date of Birth	A student's date of birth. Indicates a student is seeking a degree.
Student Degree Seeking Indicator	Valid Values: Degree Seeking Student, Not Degree Seeking Student
	Self-reported ethnicity/race used to describe groups to which individuals belong, identify with, or belong in the eyes of the community.
Student Ethnicity Race	Sample Values: Hispanic/Latino, Asian, Black/African American, Unknown Ethnicity
Student Evaluation Admissions Index	The admissions index at the time a student was evaluated for admission.
Student Evaluation High School GPA	The high school GPA at the time a student was evaluated for admission. Indicates a student is the first in their immediate family to attend college.
Student First Generation Indicator	Valid Values: First Generation Student, Not First Generation Student, Unknown First Generation Status A person's given name.
Student First Name	Sample Value: John

	A person's full name.
Student Full Name	Sample Value: John Quincy Adams
	The year a student graduated from high school.
Student High School Graduation Year	
	Indicates whether or not a high school is private.
Student High School Private Indicator	Valid Values: Private High School, Not Private High School, Unknown
Student Highest Composite ACT Score	A student's highest official Composite ACT score.
Student Highest English ACT Score	A student's highest official English ACT score.
Student Highest GMAT Quantitative Score	A student's highest official GMAT Quantitative score.
Student Highest GMAT Verbal Score	A student's highest official GMAT Verbal score.
Student Highest GMAT Writing Score	A student's highest official GMAT Analytic Writing score.
	A student's highest official GRE Quantitative score.
Student Highest GRE Quantitative Score	
	A student's highest official GRE Verbal score.
Student Highest GRE Verbal Score	
	A student's highest official GRE Analytic Writing score.
Student Highest GRE Writing Score	
Student Highest LSAT Score	A student's highest official LSAT score.
Student Highest Math ACT Score	A student's highest official Math ACT score.
Student Highest MCAT Score	A student's highest official MCAT score.
Student Highest Science ACT Score	A student's highest official Science ACT score.
Student Highest TOEFL Score	A student's highest official TOEFL score.
	Indicates whether or not a student is Hispanic or Latino.
Student Hispanic or Latino Indicator	Valid Values: Hispanic/Latino, Not Hispanic or Latino
	Indicates a student participated in the Departmental Honors Program.
Student Honors Department Indicator	Valid Values: Honors Departmental Student, Not Honors Departmental Student

	Indicates a student participated in the Honors Early Assurance Program.
Student Honors Early Assurance Indicator	Valid Values: Honors Early Assurance Student, Not Honors Early Assurance Student
	Indicates a student participated in the Honors College.
Student Honors Indicator	Valid Values: Honors Student, Not Honors Student
Student ID	A unique number assigned to a student. This number is used as the primary identifier for a student.
Student ID	A unique number assigned to a student. This number is used as the primary identifier for a student.
	An admission program that international students may participate in.
Student International Admission Program	Valid Values: KAPLAN, Unknown
	The student self-reported sex. If not self-reported, a sex is assigned for IPEDS reporting.
Student IPEDS Sex	Valid Values: Male, Female
	A person's surname.
Student Last Name	Sample Value: Adams
	Indicates whether or not a student participated in the LEAP Program.
Student LEAP Indicator	Valid Values: LEAP Student, Not LEAP Student
Student Mailing City	Self-reported City of a student mailing address.
Student Mailing City, State	Self-reported City and State of a student mailing address.
Student Mailing Country	Self-reported Country of a student mailing address.
Student Mailing Postal Code	Self-reported Postal Code of a student mailing address.
	US Region where the student mailing US state code is assigned.
Student Mailing US Region	Sample Values: Great Lakes, Plains, Rocky Mountains, Southeast Utah County where the student mailing postal code is assigned.
Student Mailing Utah County	Sample Values: Salt Lake County, Box Elder County, Davis County

	Indicates whether or not a student is American Indian or Alaskan Native.
<u>Student Native American or Alaskan Native Indicator</u>	<u>Valid Values: American Indian/Alaska Native, Not American Indian or Alaskan Native</u>
	Indicates whether or not a student is Native Hawaiian or Pacific Islander.
<u>Student Native Hawaiian or Pacific Islander Indicator</u>	<u>Valid Values: Native Hawaiian/Oth Pac Island, Not Native Hawaiian or Pacific Islander</u>
	A student's self-reported phone number.
<u>Student Phone Number</u>	<u>A student's current phone number is the official number used by the university for student communication.</u>
	Indicates a student's primary career. If a student has multiple careers, the highest level student career is the primary.
<u>Student Primary Career Indicator</u>	<u>Valid Values: Primary Career, Not Primary Career</u>
	An exception to a student's tuition residency status, which allows the student to pay resident tuition.
<u>Student Residency Tuition Exception</u>	<u>Valid Values: Residency Exception, No Residency Exception</u>
	Indicates the rate at which a student's tuition will be assessed.
<u>Student Residency Tuition Indicator</u>	<u>Valid Values: Resident Tuition, Non Resident Tuition, Unknown Resident Tuition</u>
	A student's biological sex, self-reported as male, female, or not reported.
<u>Student Self Reported Sex</u>	<u>Valid Values: Male, Female, Unknown</u>
	Indicates whether or not a student participated in a Study Abroad Program.
<u>Student Study Abroad Indicator</u>	<u>Valid Values: Study Abroad Student, Not Study Abroad Student</u>
<u>Student Umail Email Address</u>	<u>A student's official university email address.</u>
	Indicates a student is active in an undergraduate, non-credit or graduate career.
<u>Student Undergraduate/Graduate Indicator</u>	<u>Valid Values: Undergraduate Student, Non-Credit Student, Graduate Student</u>

	Indicates whether or not a student is a US Citizen.
Student US Citizen Indicator	Sample Values: Canadian Citizen, Native, Unknown Citizenship
	Indicates whether or not a student is a Utah resident.
Student UT Residency Indicator	Sample Values: Resident, Non-Resident, Resident-Changed
	Indicates whether or not a student self-reported as a veteran.
Student Veteran Indicator	Valid Values: Veteran, Not Veteran
	Indicates whether or not a student is White.
Student White Indicator	Valid Values: White, Not white
Term Credit Hours	The total number of credit hours within an academic term.
	The GPA - Grade Point Average within an academic term.
Term GPA	http://advising.utah.edu/scholastic-standards/calculation.php
