- **Enrollment Appointments:** Is the day and time a student may begin to register for a specified term. The “Appointment Ends” date just reflects the day prior to the Open Enrollment date. Students can continue to enroll, but they will be enrolling with non-matriculated (non-degree seeking) students during the Open Enrollment period. It is in the students’ best interest to register during their appointment period. [See more about how registration dates are assigned.](#)

- **19.00:** Is the max unit (or credit hour) amount a student may register for during the enrollment appointment period. This number may vary depending on active career (i.e. undergraduate, graduate, law, high school university program).
